As 5.1.2e says, we have an NDA in place between us that covers the project as a whole. If you want a separate one direct from me to you, I have no problems in order to keep the administration happy, but it would deal with an issue I regard as covered already.

Hi 5.1.2e,

We have an NDA with 5.1.2e but if you wish to have a separate NDA with him I'm sure its not a problem.

Hello 5.1.2e,

Thank you very much. This works very well.

I will send an invitation to 5.1.2e and you for that time.

Regarding the NDA, since this is set up between Exponent and DuPont, would 5.1.2e be covered as well by the NDA?

Best regards,

Concerning the NDA, that's fine – please send across when ready.

We have another call scheduled early afternoon on Friday 15 Jan, but could make 16.30 CET if that would work from your side?

Hello 5.1.2e ,

Thank you for your best wishes and I want to wish you a good start into a happy and healthy new year as well.

Thank you as well for sending the signed NDA. Unfortunately, I have heard from one of our legal colleagues who just came back from the holiday break, that we would need to make some changes regarding some formalities (e.g. person signing the NDA for DuPont, legal entity). I will send you the updated NDA for signature once the changes are confirmed from our side. My apologies for this inconvenience.

5.1.1c

The business would be interested to schedule a call with you to discuss our respective uses.

Would you have any availabilities on January 15th between 14:30-17:00am CET?

Best regards and thank you,

Hello 5.1.2e,

Thank you so much for the overview and for being available for the discussions today.

In your previous e-mail you mentioned that Exponent offers to sign non-disclosure agreements with the individual companies. We would be interested in signing an NDA with Exponent.

Would you like us to supply the NDA or would you already have one that you use related to this project?

Best regards and thank you,

Hi 5.1.2e,

Good to talk to you today and a very interesting case to consider. Together with 5.1.2e and 5.1.2e we concluded that they will come back to me on the 5.1.1c and several other points. I recommended them and yourself to go back to the MSCAs to clarify where to direct the 5.1.1c information with a brief explanation of the case – I suspect the 5.1.1c project would be the best place.

Here are the contacts I would suggest sending to:

5.1.2e (RIVM): 5.1.2e @rivm.nl and their functional mailbox: 5.1.2i @rivm.nl

And to put in copy me and 5.1.1c The contact there is 5.1.2e

Also for your background I have received clearance to distribute the attached summary of who is doing what.

May I also take this opportunity to wish you all a restful holiday break and looking forward to discussing with you further in early January.

Best regards

Hello 5.1.2e,

It was nice to finally – at least virtually - meet you at yesterday's Amcham EU call and thank you very much for your offer to have a follow-up conversation with us.

One of our businesses would be interested in talking to you about the 5.1.1c questionnaire.

The following options would work for us:

Thursday 10th 14:30 to 15:00

Friday 11th 13:00-15:00

Monday 14th 15:30-17:00

Would any of those time slots be convenient for you?
