Up to date*

STYLES in furniture change with the times, just as do styles in dress. That is why many ingenious housewives rely on Fuller Enamels and Decoret Varnish Stains to bring their furniture up to date.

For refinishing the surface in imitation of natural wood such as Dark Oak, Rosewood and Walnut, use Decoret Varnish Stains. The newest colors when painted furniture is in vogue will be found in Fuller's Art Decorative Enamel. Then there is Silkenwhite Gloss or Semi-Gloss Enamel, which produces an intense white or olden ivory finish for the woodwork of the room.

Ask for Fuller Paints and Varnishes, by name, at the local dealer's. Or write our Service Department for advice. Our "Home Service" booklet is FREE. Whatever your painting need, W. P. Fuller & Co. makes a paint for the purpose.
