*Paint
is to
Build*

what clothing is to the body. It is just as important. You take as much care in selecting the paint to clothe your property as you do in selecting the material to clothe your person. Paint serves the building. Paint gives beauty to the building. In the labor costs more than the paint. There will be a large loss if the right paint is not used.

THE SHERWIN-WILLIAMS PAINT

is made for painting buildings. It is not a low-priced paint, but it is cheap because the best. It is made of the purest materials and wears the longest. The colors are bright and handsome.
