Dr. Richard Gaze
The Cape Asbestos Co., Ltd.
114 and 116 Park Street
London W.1., England

Dear Dick:

I was glad to get your letter of August 17th but sorry indeed to hear that Mrs. Gaze cannot come with you this time.

As you indicate that you will be in Chicago during the week of October 5th, and have to be in New York by the 15th, I have the following schedule to suggest.

Early Friday afternoon, October 9th, fly from Chicago to Pittsburgh. Margaret and I will meet you at the Hilton Hotel, where we will make tentative reservations for you, then drive you to our home for supper. You could spend the night at the Hilton and Saturday morning we could drive out to Rolling Rock for the races, returning to Pittsburgh Saturday evening. Sunday, the 11th, you and I might fly over to Corning and go through the Corning Museum of Glass, then fly to Port Allegany, spend the night there and visit the UNIBESTOS Plant early on Monday morning. We could fly to Pittsburgh and spend Monday afternoon at the office or the laboratory.

Tuesday, the 13th, Dr. Shailer Bass of Dow Corning expects to be in Midland so we will fly you up there to have a couple of hours visit with him and fly back to Pittsburgh that afternoon. As soon as I hear from you I will confirm with Dr. Bass. If there is any further business to do we can spend as much of Wednesday as you wish together in the office or if you have anything to do in New York you could fly over on Tuesday evening or Wednesday morning.

Kindest personal regards.

Sincerely,

Russell Brittingham
