Dear [REDACTED],

Thank you for sharing the attached position of Confindustria.

I suggest to have the meeting on the 8th of November on the premises of DG Environment. Please be in touch with [REDACTED] (in copy), [REDACTED], for the facilitation of access.

We will also invite to join us at least remotely our colleagues from GROW.

While at this stage it is too early to discuss in detail what and how, as the chemical agency of the EU is preparing its evaluation/opinion, it is useful to understand your observations and concerns.

Looking forward to the discussion,

Aurel CIOBANU-DORDEA (he/him)
