Henry and Nick:

Hope you are both doing well.

I would like to schedule a telcon with yourselves and Patsy Clegg in the next week to discuss status of the study. Last week, the consortium held an annual consortium meeting to discuss progress, issues and planning for the next year. Following this meeting, there are number of issues that Patsy and I would like to discuss with you.

In addition, we may want to discuss prep for Malcolm Brinded's visit in October - I believe the last time we spoke, you mentioned that he will visit the mayor in October and we should prepare an in-depth brief.

Can you advise on a time/date that might work for you next week - Patsy is in Houston and I will be in New York. We can use my Shell Meet me number.

Thanks for your time and input.

Best Regards,

Lauren
