Subject: Status of Grant Projects

You don't often get email from clay.parker@mail.house.gov. [Learn why this is important](#)

CAUTION: This email originated from outside of the Department of Transportation (DOT). Do not click on links or open attachments unless you recognize the sender and know the content is safe.

Good afternoon,

I hope this email finds you well. I am reaching out to incur on the status of two grant project applications from the Nashville Department of Transportation (NDOT). In June 2024, the local department submitted an Active Transportation Infrastructure Investment Program application for the "East Nashville Skes Project. Additionally, the department submitted a Charging and Fueling Infrastructure program application for the "Electrify Music City Project."

Please provide a timeline and status update on these projects as well as any additional information possible that would be beneficial in communicating to NDOT. Thank you in advance for your assistance, and please reach out if you have any questions or need additional information.

Thank you,
Clay Parker
