EDC UNIT SOP MANUAL

Section: Check Lists

Page 1 of 1

Description: End of Month Procedure

EFFECTIVE DATE: 6/3/92
Revision #: rewAPPROVED BY: [Signature]Operators Name _____ Date _____
Month _____

EDC tanks are not normally air spaced. This is because of the potential for exposure to EDC vapor. When instructed by Supervision you should air space the tank. Proper protective equipment is required. You should wear a full face canister mask.

<u>Tank</u>	<u>Gauge Height</u>	<u>Varec or Air Space</u>	<u>Temperature</u>
