

1 A Right, '57.

2 Q When you started at Foreign Motors, what
3 were your job duties?

4 A Well, I was an automobile mechanic,
5 apprentice really. I worked under an automobile
6 mechanic.

7 Q At what point did you become a mechanic as
8 opposed to an apprentice?

9 A I guess it would probably be about four
10 years later.

11 BY MR. WILLIAMS:

12 Q Did your work change at all when you went
13 from being an apprentice to a full-fledged mechanic?

14 A Work changed quite a bit, yes.

15 Q How was that?

16 A Got a little simpler jobs and a lot better
17 jobs.

18 Q Would the amount of time that you spent
19 working on cars be different?

20 A Yes. You would have to diagnose the car
21 straight through from what the problems were, how to
