Subject: RE: Meeting

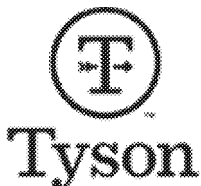

Ken,

Thanks for following up. It is a small world indeed. Doug and Becky are two of my favorite people. I ran the same trail with my son, Bryce after meeting you in Little Rock and he remembered meeting your son at the Lowe's home.

It was good to Administrator Pruitt. The Arkansas agriculture sector truly appreciated his comments about moving from an adversarial to a cooperative relationship. In that regard, I may be reaching out to you in the next few days to seek your feedback on the particular matter that David discussed with you in DC.

I look forward to talking with you again soon.

Best Regards,

Robert:

Thanks for rallying after your to come to the event in Little Rock. The Administrator was glad to see you. On a personal note, it is a small world that we share some mutual relationships. Doug and Becky think the world of you guys and your son. As I suspected, I confirmed that my son has also met your boy.

Anyway, I look forward to future meetings. In the meantime, if I can be of assistance, please let me know.

Ken
