Richard Baum, Esq.
One North LaSalle St., #1000
Chicago, IL 60602

REDACTED

Re:

Dear Mr. Baum:

I have been able to determine that the supplier of asbestosis used in the formulation of Fibrasal Roof Coating was Johns-Mansville. The company purchased the asbestosis in the manufacturing of this product thru 1973.

Richard, please advise if we are able to file a lein on this matter, considering the workers' compensation claim was settled.

Sincerely,

Anthony J. Colangelo
