Dear Jim:

Enclosed, per your request, is a Material Safety Data Sheet for Vista ALFONIC 1412-A Alcohol Ether Sulfate. Although this material has a flash point below 100°F it is classed by DOT as a combustible liquid. This is because of an exemption for materials containing less than 24% alcohol.

Please call if you have further questions regarding this product.

Sincerely,

Thomas G. Grumbles, CIH
Director, Industrial Hygiene
and Product Safety
