Bill,

I just spoke with the WH visitors office and they informed me they can't approve tours with less than 48 notice in order to get you and your family through the background check process.

Is there a time later this week that would work?

Thanks to both of you for getting back to me so quickly. I have four family members in town. They are totally flexible tomorrow.

Bill,

We can try to set-up a WH tour, although they generally request a 48 hr window due to getting you cleared by the secret service.

How many people are in your party and is there a time window we can work within?

Absolutely. We can get you a Capitol tour easily. Let me know what time works for you.

I have copied Charles and Hayley who may have some insight into the WH

Troy – Do you guys have contacts at the Capitol or the White House for possible tours tomorrow? I'd like to try to do something nice for my family while they are here. Thanks.
