Re: Nevada Power Litigation

Dear Paul:

This supplements my letter of earlier this morning. Given that this is the third extension on this brief, and given your representations as to the need for the extension, the defendants' agreement to a ten-day extension is conditioned on the stipulation containing a preamble stating in substance as follows:

"Whereas Nevada Power has represented to defendants that it desires the present extension to allow its senior management to re-examine the issues raised by the proposed Amended Complaint,"

Please let me know whether this is acceptable to you. I would appreciate seeing a draft of the stipulation before you send it to defense counsel for signature.

Sincerely yours,

Robert J. Shaughnessy
