

1 plant.

2 Q To build a plant. Thank you, I am sorry.

3 So at the time period in '66 and early '67
4 when you are increasing production, you are also hand
5 stamping these boxes of Kaylo; is that right?

6 A We only hand stamped for just a few weeks,
7 sir.

8 Q A few weeks?

9 Now, at the same time that you are hand
10 stamping and then, later labeling these boxes of
11 Owens- Corning Kaylo, the company was also sending out
12 brochures; isn't that true, sir?

13 A Brochures were always sent out, sir.

14 Q And brochures are sent out to architects and
15 brochures are sent out to contractors, and the reason
16 for brochures is to get people to buy your product;
17 isn't that true?

18 A It was sent out to architects and
19 specification writers and people that wanted to buy
20 Kaylo.

21 Q And at the same time that there was this
