ANSWER:

No.

INTERROGATORY NO. 25:

Identify each and every source from which Defendant, any predecessor or related company, obtained raw asbestos and/or asbestos-containing material used by Defendant, any predecessor or related company, to manufacture or process any product listed in response to Interrogatory No. 19.

ANSWER:

See Answers to Interrogatory Nos. 6, 19, 23 and 24, which are incorporated herein as if fully rewritten. Suppliers of friction materials that contained or were thought to contain asbestos from approximately 1963 on are listed below, including the suppliers' material numbers:

Manufacturer	Material
American Brake Block	ABB 3022-7
American Brake Block	ABB 116-12
American Brake Block	ABB-226-GG
American Brake Block	ABB-264-GG
American Brake Block	ABB-610-147
American Brake Block	ABB-693-531
American Brake Block	ABB-693-539
American Brake Block	ABB-74-12
American Brake Block	ABB-80
American Brake Block	ABB-90R
Abex	693-551-D
Abex	931-162
Abex	931-68
Burr Built	2309
Johns Manville	1105B1
Johns Manville	JM 240
Krasne Division Royal Industries	Formulation Code 6L
Maremont	MG-26-FF
Maremont	MG-30-GF
National Friction	NF-282-1
National Friction	NF-296
National Friction	NF-702
National Friction	NF-808 MS-144
National Friction	NF-951
