Buy the Paint You Know About

Of course you have read in the great
 magazines about "Acme Quality"
 paints, enamels, stains and varnishes,
 and how this quality mark has made
 it easy for even the most inexperienced to
 get just the right paint for every purpose.
 This is the most important advance ever
 made in the paint industry. Remember,
everything that goes on with a brush now
 comes under the name

ACME QUALITY

It does not matter *what*
 you want to paint, from re-
 touching an old chair to painting
 a new house, you can get
 under this "Acme Quality"
 mark the right material for a
 perfect job.

To make the work still
 easier, let us send you free
 a copy of the new textbook,
 "The Selection and Use of
 Paints and Finishes." If your
 nearest dealer cannot supply you with the "Acme Quality"
 kind we will. **New Era Paint and Varnish Co.**
