Hi Leila,

Once again to be the bearer of bad news: unfortunately the Secretary's travel schedule shifted and he will not be able to fly back to DC until Monday, with an evening arrival time. Is there another time later in the week that would work for Mr. Donohue to reschedule? we are pretty flexible outside of Tuesday morning. I greatly apologize for the difficulty, and we really appreciate your and Mr. Donohue's flexibility in trying to schedule a time for him and the Secretary to finally sit down!

Best,
Caroline

Hi Caroline!

Mr. Donohue would like to primarily offer our support for Secretary Zinke's platform and to let him know what the Chamber can do to support the President and the Secretary outside of DC. Also generally discuss BOEM/BSEE, BLM, and FWS plans and issues.

Any special instructions for when they arrive?

Also, from our side, we have one more addition to the meeting. Our attendees will be:

Tom Donohue, president and CEO, U.S. Chamber of Commerce

Karen Harbert, president and CEO, U.S. Chamber of Commerce's Institute for 21st Century Energy

Neil Bradley, senior vice president and chief policy officer, U.S. Chamber of Commerce.

When you have a moment, do you mind confirming who will participate in the meeting from your side?

Thank you!
