Thanks. I trust your enjoying the Hill. I spent many years there.

Ryan,

Please forgive the intrusion on a Friday night, but I'm doing my best to avoid cluttering your inbox during the work week - especially this week.

Just wanted to drop a line and offer my congratulations for the work your team did this week. Flawlessly handled, typical media noise and expected talking-head hysteria notwithstanding. Director Pruitt handed the Administration its best few days yet.

All the best, and hope all's well,

Jeff

Not a problem at all. I appreciate the interest and you will really enjoy working on Capitol Hill and for Senator Hatch. I worked on Capitol Hill for 15 years. It was a great experience.

As I relayed to your assistant, the general counsel position opened with Senator Hatch and I was offered it on a relatively short fuse. I haven't a doubt that you're putting together an excellent team, and that the EPA, and country, both stand to benefit.
