I recognize everyone has a busy schedule, so please let me know if you all might be available sometime next week. I can make myself available to fit your availability to a certain degree. I think my earlier email might have fallen through the cracks. Many thanks for the help.

Hey Richard,

Brittany and Sam, I want to e-introduce you to Richard Guerard who is currently with Hyundai. I met him when he worked with all the good guys at Hunton & Williams. He'd like to touch base on CAFÉ/LDVs issues and the MTE process.

Best,

Mandy

Thanks for connecting me, Mandy. I know our compliance team has a productive relationship with the careers, but any other connections would be most helpful to me.
