Dear Dr. Kehoe:

I wish to apologize for the delay in answering your letter concerning Mr. [REDACTED] of Nashville, Tennessee. I have been away for the holidays and did not receive your letter until my return.

I regret very much that I am unable to furnish you the necessary data concerning Mr. [REDACTED]. I have never treated Mr. [REDACTED] and my report concerning his case was merely a diagnosis obtained from Dr. Robert Buchanan, Dermatologist of Nashville, who has treated Mr. [REDACTED] for his Dermatitis following contact with gasoline. My report was simply made to the Standard Oil Company of New Jersey, which is routine in cases in which their employees are involved.

I feel certain that Dr. Buchanan, whose address is "Doctors' Building, Nashville, Tennessee" will be willing to furnish you the information you desire.

Very truly yours,

Paul G. Morrissey, Jr.
