Subject: Meeting in Region 8

John:

It was great to meet you in Denver at the Region 8 State Directors meeting. I enjoyed your input and was encouraged that we are beginning to see progress in the regions that State's like Utah are good and trusted partners in accomplishing our Mission. I am looking forward to continuing the dialogue with you and Alan about how we can assist Utah in moving these programs forward and right-sizing the oversight function between the EPA and Utah.

I am sure we will see each other at IOGCC in the fall. In the meantime, please let me know if I can be of assistance.

Ken
