Thank you very much for taking the time this morning to meet with Jaime Matyas, Joe Gersen and me to discuss the good work that the Student Conservation Association has been doing on public lands for the past 60 years. I hope that you found the meeting to be helpful and informative.

As I mentioned to you as we were leaving, I have been talking to David Bernhardt and Todd Willens about a number of matters that may be of interest to you. I thought that it might be helpful if you and I could find a time in the next week or so to get together to discuss these matters. My schedule tomorrow, as well as next Tuesday and Wednesday, is fairly flexible, so please just let me know what time or times might work best for you. I would be happy to come back over to the DOI to meet with you at your convenience.

I look forward to hearing from you, and hope to see you soon. Thanks

Thanks for the quick response. I look forward to seeing you next Wednesday.

Thomas, my schedule next Wednesday is fairly flexible, other than between noon and 3 p.m. I would be happy to come over to the Department either mid-morning or late afternoon on Wednesday, whichever might work better for Aurelia.

Thanks.
