Subject: FW: Invitation to APPLiA and EPEE joint roundtable on PFAS | 9 March from 10 to 11 AM

Interessant. Maar ik ben op dit moment niet beschikbaar. Waarschijnlijk kan je deel nemen en de sessie opslaan voor mij ?

Subject: Invitation to APPLiA and EPEE joint roundtable on PFAS | 9 March from 10 to 11 AM

Dear Representative,

With Europe scaling up efforts towards the promotion of production and use of safe and sustainable chemicals, [APPLiA - Home Appliance Europe](#) and [EPEE - European Partnership for Energy and the Environment](#) would like to invite you to a joint behind-closed doors roundtable on **"Regulating Refrigerants: A sustainable route towards meeting the Green Deal objectives"** taking place on **Wednesday 9th March, from 10 to 11 AM.**

In the framework of the EU Green Deal and as part of the new Chemicals Strategy for Sustainability, a comprehensive series of actions addressing the use of per-and-polyfluoroalkyl substances (PFAS) has been envisioned to ultimately reach the EU's zero pollution ambition plan. Building on this, the aim of the

roundtable is to identify sectoral positions in relation to F-Gases, and highlight key recommendations concerning an upcoming PFAS Annex XV dossier proposal under REACH.

The roundtable will be moderated by **EPEE Senior Policy Director, Federica Rizzo**, and will bring multiple stakeholders' takes to the discussion table. You can check out the composition of the panel, as follows:

Keynote Speaker

- **Peter Simpson**, European Chemicals Agency - ECHA, Restriction Coordinator

Panelists' interventions

- **Carl Dannenberg**, Federal Office for Chemicals, BAuA, Germany, Scientific Officer
- **Paul Ashford**, European Phenolic Foam Association - EPFA
- **Stefaan Vanderstraeten**, APPLiA, Chairman of WG Gases
- **Nick Campbell**, European Fluorocarbons Technical Committee - EFCTC, Chairman

Q&A and Closing remarks

If you are interested in joining, kindly register [through this link](#) or via the "register" button below.

Please, note that attendance is by invitation only.

We look forward to e-meeting you on the day!

Kind regards,

APPLiA and EPEE Secretariats
