TO: Members of the Food, Drug, & Cosmetic Chemicals Committee

SUBJECT: Food Additives Procedural Regulations

Gentlemen:

Although not listed on tentative agenda for the September 12 meeting, it is planned that the matter of Proposed Rule Making re Procedural Regulations for Food Additives will be discussed at this meeting. You are therefore asked to review this item in advance and prepare any comments you may wish to make. The meeting will probably decide whether or not an MCA statement should be made.

I refer to the notice of Proposed Rule Making sent to you on August 11 which appeared in the Federal Register, Vol. 32, No. 152 - Tuesday, August 8, 1967 (21 CFR Part 121).

Sincerely yours,
