DOCUMENT DESCRIPTION: Sales Literature

**Soon, very soon you'll be asked
to take the asbestos out of
every vehicle.
That's why last year Rogers
introduced the *first*
asbestos-free
gasketing material ...**

NOBESTOS / **duroid**TM
gasketing materials

**It's also why we just
*broadened our line!***

Why wait for that fateful memo?
The only non-asbestos direct
replacement we know of for con-
ventional wet processing gasketing
materials and for compressed
asbestos is already here.
Competitively priced.

Three different binder systems are
already in the line, and a fourth is
on the way.

Want specs, price lists, samples for
evaluation now? Write or call the
NOBESTOS product specialist.
