Hi Millan,

I hope you had safe travels back to D.C.! I just wanted to thank you for helping coordinate everything for your team to come out here on Friday. We absolutely loved having the Administrator speak at our luncheon and participate in a roundtable, our members were so happy, as well as our CEO. You were so accommodating and helpful throughout the whole process, we can't thank you enough for that.

Amy told me that her last day was on Friday - so sad but we feel honored that she spent it with us! That being said, who would be the best person to ask media/social questions? We are wanting to post a couple of things on social media and just want to make sure that everyone from your team is okay with it!

Hopefully our cross will pass again! Until then, please let me know if you ever need anything from the AZ Chamber and we will gladly help.

Best,

**Morgan Carr**
