Margaretta Byers says:
"GREY HAIR SHOULD
BE GAY HAIR!"

Get this into your head—grey
hair is BEAUTIFUL—often much
more so than the original mousey
brown. But it must be well
dressed. A famous beautician
pointed out recently how the style
at the left is all wrong for grey
hair. It's too young, thereby
stressing the fact that the face
is NOT young. It pulls down the
lines of the face. The center part
is old-making.

We have borrowed the style at
the right from Billie Burke —
although her hair is not grey, her
hairdo is wonderful for silver
locks. It's SOFT — with a side
part and upped curls. With such
a hairdo, wear exciting necklines
and colors becoming to grey hair

—wear these colors both at your
neck and on your hat.

Watch for your type tomorrow.

Alcatraz Felon Denied Freedom

SAN FRANCISCO (INS) — A.
L. Bates, serving a life term on
Alcatraz for the kidnaping in 1933
of Charles F. Urschel, Oklahoma
City oil man, yesterday was de-
nied his petition for freedom on a
writ of habeas corpus by the U.
S. Ninth Circuit Court at San
Francisco.

The District Court previously
had denied Bates' petition. He
contended that the federal anti-
kidnaping law did not fix a maxi-
mum penalty of punishment. The
circuit court held that the law
did fix a maximum penalty, and
added that life imprisonment was
not cruel or inhuman.
