PROPOSAL NO. 7457

Coastal States Petrochemical Company
P. O. Box 521
Corpus Christi, Texas

JOB NAME:

Coastal States Petrochemical Co.
Main Office Building
Corpus Christi, Texas

PROPOSAL FOR: Wall leak at new addition

Attn: Mr. L. J. Jones

PLAINTIFF'S EXHIBIT

CC-146

Scope of Work

We propose to furnish all labor, materials, equipment and services necessary to install composition flashing treatment on the wall of the old office building that is exposed above the roof of the new office addition. This is the area of the wall that leaked during our recent hurricane. This treatment consists of an application of 2 ply asbestos felts and 3 applications of asbestos fibered flashing cement. We will also replace the water damaged ceiling blocks in the corridor below the expansion joint.

Price: \$55.00

PRICE: as quoted above

TERMS OF PAYMENTS:

Cash without discount on all work started and completed in one calendar month. On all other work: On the 10th of each month, 90% of the contract price of all materials and labor furnished during the preceding month is due and payable; balance on completion of contract, but if work is temporarily interrupted or its completion is delayed by you, said balance shall immediately become due and payable.

Our acceptance of contract subject to approval of our credit department.

This proposal in duplicate, when signed by you, will constitute a contract under the laws of the State of Texas and shall be so construed. This proposal subject to acceptance within thirty days.

Respectfully submitted,

SECHRIST-HALL COMPANY

PROPOSAL NO. 7680

Coastal States Petrochemical
Post Office Drawer 521
Corpus Christi, Texas
Attn: Mr. L. J. Jones

JOB NAME: Coastal States Petrochemical Office Bldg.
Corpus Christi, Texas

PROPOSAL FOR: Built up roofing and Sheet metal

Scope of Work

We propose to furnish all labor, materials, and equipment necessary to remove the existing roof on the original office building and install new roofing, flashings, gutters, downspouts, and vents. The new roof shall be 4 ply asphalt and gravel roof complete with new composition flashing at parapet and the following sheet metal items:

- 26 gauge galvanized iron gutter (4" x 4" box)
- 26 gauge galvanized iron downspout
- 26 gauge galvanized iron base flashing
- 26 gauge galvanized iron heater vent
- Lead roof drain flashings
- Lead vent pipe flashings

We also propose to furnish new siding on one of the pent houses.

Price: \$2,994.00

NOTE: If the new roof is to be coated with a white thermo coating add: \$ 650.00

It is our recommendation that in lieu of the white coating a red volcanic aggregate is used. This would add \$130.00 to the base price.

PRICE: as quoted above.....

TERMS OF PAYMENTS:

Cash without discount on all work started and completed in one calendar month. On all other work: On the 10th of each month, 90% of the contract price of all materials and labor furnished during the preceding month is due and payable; balance on completion of contract, but if work is temporarily interrupted or its completion is delayed by you, said balance shall immediately become due and payable.

Our acceptance of contract subject to approval of our credit department.
