Dear Joe:

A sincere thank you for the opportunity to attend what I consider the finest meeting of the ACPPA since I have had the opportunity of attending your meetings. Not only was the location super, but the atmosphere surrounding the meeting was equally as great.

This tone of a meeting can, hopefully, breed new vitality into our industry; and, like anything else, this vitality can only be brought about by the attitudes of the people who participate in it.

Once again, thanks to you and your staff for a fine meeting, and let us hope that it is the first rung on a new ladder.

Very truly yours,
