VISTA

August 3, 1990

Mr. Justin Powell
Keller & Heckman
1150 17th Street, NW
Suite 1000
Washington, DC 20036

Dear Justin:

This letter is to confirm our conversations regarding the manufacture and technical specifications of Vista's ALFOL® 610 Alcohol.

This product is blended material. The content of the individual homolog alcohols is variable, depending on customer specifications. There is always some measurable "branching" that is present in this carbon range product. The total branching is typically less than 1%.

Sincerely,

Thomas Grumbles

Thomas G. Grumbles, C.I.H.
