COLUMBIA-SOUTHERN CHEMICAL CORPORATION

Lake Charles, Louisiana

May 11, 1954

To Columbia-Southern Employees:

You and your family are cordially invited to attend a gathering of company employees on Sunday afternoon, May 16 from 2:00 P. M. to 5:00 P. M. at the plant Cafeteria. At that time you will receive your E. T. Asplundh award for the part you have played in our plant safety achievement. There will be refreshments and fun for all.

It is fitting that this date will also mark the beginning of Chemical Progress Week which will be observed nationally this year. In honor of these two events, we have arranged a conducted tour of the plant for families of employees, including children twelve years of age or older. Arrangements have been made for children under twelve to be taken care of in the cafeteria while parents and older children are on the plant tour.

We are making a special effort to provide an interesting display of safety posters, safety equipment and plant products in the plant Cafeteria. We hope to see you and your family on Sunday.

Sincerely yours,

C. K. Ballard
