Dear Jimmy Warr:

On April 23, 2024, the Environmental Protection Agency Region 4 Air Enforcement Branch conducted a Clean Air Act Title II inspection of the Taylor's Towing Inc. facility located in Panama City, Florida. We have enclosed the final inspection report generated for this inspection (Enclosure 1).

The EPA previously sent Taylor's Towing Inc. a copy of the draft inspection report in an email dated June 3, 2024, allowing Taylor's Towing Inc. the opportunity to make any comments on the report and to claim any information contained in the report as confidential business information (CBI). In a call on June 11, 2024, Taylor's Towing Inc. notified the EPA that the company does not wish to claim any part of the inspection report as CBI.

If you have any questions, please contact me at 404-562-9727 or rivera.lorianny@epa.gov.

Sincerely,

LORIANNY RIVERA

Attached please find the United States Environmental Protection Agency's (EPA's) inspection report of your inspected facility and/or any vehicles/engines identified therein. EPA is providing this report as a matter of agency policy and will contact you again only if needed.

Without making a determination that your business or organization is a small business, EPA is also providing you with a link to a Small Business Resources Information Sheet (<https://www.epa.gov/compliance/small-business-resources-information-sheet>) which provides an array of resources to help small businesses understand and comply with federal and state environmental laws.
