Attn: Miss Jeanette Garner

Dear Miss Garner:

This letter is in response to your request to Missouri Solvents and Chemicals Company that we verify that our Yarmor 302W Pine Oil does not contain asbestos.

Asbestos is not a normal ingredient in the manufacture of our Yarmor 302W Pine Oil, nor is it used in the operating equipment in which Yarmor 302W is manufactured or stored, in such a way that it is reasonable to assume there is any contamination.

We trust this response is satisfactory. Please contact us if we can be of further help.

Very truly yours,

R. Stephen Sumption
