Dear Drs. White and Jarrot

I am sending you the 2005 invoice and some copies of the receipts again. I scanned the receipts, but they are too big to be sent by email. Would you pls tell me your fax number? I will sent them by fax.

As I should wait for university new semester and copy some receipts I am sorry delay to send the documents to you until now. I would grateful if you would tell me your comments and give me an acknowledgement when receiving this email.

Best regards
