Dr. Koonin, if you are planning to be in DC on April 28, would there be a convenient time to meet with Administrator Pruitt?

Thanks.

Thank you gentlemen. So as luck would have it the Administrator will happen to be in New York tomorrow. Would there be a convenient time to meet as early as tomorrow? I know this is last minute, but I wanted to ask. If that doesn't work, we will schedule another time definitely.

Dear Ryan,

Very glad to meet you with Administrator Pruitt today. With this email, introducing you to Steve Koonin, now at NYU, formerly Undersecretary of Energy in DOE and Provost of Caltech. He's an MIT Ph.D. in astrophysics. I've attached his article on climate science not being settled from the Wall Street Journal.

He's based in New York City but will be down for a meeting of the top physicists on April 28, and could come a day early. Or they could meet in New York City. I think the Administrator would find an 1 ½ to 2 hours very useful for deepening the texture on the climate change discussion. As I mentioned, Steve will have a new article coming up in the WSJ later this month.

Kind regards,

Dan
