Re: Gaffey v. Montague

Dear Peter:

Under cover of this letter, please find two different invoices for retrieving documents for your case. Please make the choice as to which you can afford. The documents have been transmitted today via FedEx, and include a search for Gaffey's name on the clearinghouse database.

We would appreciate it if you might get a check out ASAP. Money's definitely in short supply in our part of western Oregon at the moment.

Sincerely,

CAROL VAN STRUM
