Subject: LA Times Inquiry

Hi Matt,

A colleague passed along your inquiry below.

Can you please tell me more about your story and firm deadline?

Hi there. I'm trying to find hourly PM 2.5 data for Los Angeles, New York City and Houston during calendar year 2016 (roughly 8,700 observations), similar to what the State Department releases for cities in China (<http://www.stateair.net/web/historical/1/1.html>). I found it before for 2015 but I'm having trouble now. Can you help?

(This is not a FOIA. I'm just asking for help finding a public-facing search/download interface).

Thanks!!
Matt
