COLOR ENLARGEMENT

made by **Kodak**

READ THIS NOTICE: The dyes used in Kodak color films and prints, like other dyes, may, in time, change. Neither film nor prints, therefore, will be replaced or otherwise warranted against any change in color.

***MOUNTING* KODACOLOR ENLARGEMENTS:** Use Kodak Rapid Mounting Cement for a rapid permanent bond. Kodak Dry Mounting Tissue may also be used. Follow directions on the label. Do not use rubber cement or paste containing water or penetrating solvents.

KODACHROME ENLARGEMENTS: Use Kodak Rapid Mounting Cement.

MADE IN U.S.A. 1KP 47955B
