Dear Mr. Smith:

Enclosed is an Administrative Order (AO) issued to the City of El Dorado for violation of the Clean Water Act (33 U.S.C. § 1251 *et seq.*). The violation was identified during our review of your National Pollutant Discharge Elimination System (NPDES) program file. This AO is for failure to submit your annual sludge discharge monitoring reports for calendar year 2014, which is a violation of 40 C.F.R. §§ 503.18(a).

This AO does not assess a monetary penalty; however, it does require compliance with applicable federal regulations. The compliance deadline is thirty days from receipt of this AO. The Environmental Protection Agency is committed to ensuring compliance with the requirements of the NPDES program and my staff will assist you in any way possible. Please reference AO Docket Number CWA-06-2015-1796 and NPDES Permit Number ARL033723 on your response.

If you have any questions, please contact Ms. Nancy Williams, of my staff, at (214) 665-7179.
