Chuck,

It was great to see you as well. Why don't you all work with Crystal Penman to find a time over the next month for you and your folks to come in and meet with Peter, Andrew and I.

Thanks,
Lee

Good afternoon Lee:

It was great to see you during today's Joint Spring Committee Meeting at the U.S. Chamber of Commerce. I very much appreciated your comments encouraging collaboration with the business community.

In that regard, and as I mentioned, I have reached out to both Andrew Sawyers and Peter Grevatt to introduce our member interests and align around shared priorities.

I am also working to convene a meeting of public and private sector water sector and investment leaders to discuss opportunities to mobilize private capital for water infrastructure projects. I will keep you and Jim Gebhardt informed of progress.

Please feel free to contact me if I can ever be of service in the meantime. I am happy to discuss further.

Thanks again,

Chuck
