Vandiver Brown

July 20, 1949

Mr. Ernest Muehleck,  
President,  
Keasbey & Mattison Company,  
Aahler, Pennsylvania

Dear Mr. Muehleck:

I regret to report that, despite persistent efforts in that direction, we are unable to obtain from Dr. Vorwald any definite information as to when or where the report on "Asbestos Pneumoconiosis" will be published.

We will renew our efforts and use your inquiry as the basis therefor.

With kindest regards, I am

Sincerely yours,

Vandiver Brown,  
Secretary.

P.S. to Mr. Woodard:

Page, a review of my files does not indicate that Dr. Vorwald was to submit anything further to us with respect to the redraft of the article. (See last para. of my memo of 3/3/49 to the various underwriting companies). It was following our meeting in Oct. or Nov. 1948 that we requested a revised copy be submitted to us. This was done and we approved it. Now all that remains to be done is to publish and I think the ball is in Baranac's court.
