we will start as close to 9:30 as possible.

Please, do not discuss the case among yourselves or with anyone else. Don't let anyone attempt to discuss it with you.

If that should occur, don't tell any other member of the panel, just tell a member of my staff and I will take appropriate measures.

I hope you have a good, safe holiday season.

MR. SMITH: Your Honor, as Mr. McGowan pointed out, one of the documents we offered 1017 is against Owens-Illinois and not Owens-Corning.

THE COURT: All right.

MR. SMITH: Thank you.

THE COURT: Have a good, safe holiday weekend, ladies and gentlemen.

(Whereupon, jury dismissed -- 4:21 p.m.)

THE COURT: Counsel, does anyone have anything they would like to put on the record before we recess for the weekend?

MR. WILLIAMS: No, Your Honor.
