Dear Mr. Lemen:

Having failed to receive anything from you in reference to a Purchase Order regarding location of former Pittsburg Corning employees and your slides depicting plant conditions, I thought it well to write.

Actually, we had anticipated employing one of the field persons. We hope to have with us once the study has begun, to locate the some 150 heretofore unlocated persons; therefore, the quicker the better.

I will look forward to hearing from you soon.

Sincerely,

Grady Foulk, Jr.
