Dear Mary:

Please find enclosed information describing the Telomer manufacturing process submitted on behalf of the Telomer Research Program (TRP). This is part of the TRP *Characterizing Potential Release of PFOA from Telomer-Based Product Manufacture* item described in the Voluntary Commitment, Item 3, on page 4 of the 14 March 2003 Letter of Intent submitted to the Agency by the TRP of which DuPont is a member. The information provided herein includes a generalized Telomer process schematic and description as well as a copy of Eric Kissa's book on "*Fluorinated Surfactants and Repellents*", 2nd Edition, 2001. This submission does not include CBI information. As an additional cross-reference, this submission meets the commitment to provide this information to the Agency as described in Appendix 5, page 15, March 2003, Item 3., "TRP Commitment Summary" of the Letter of Intent, which describes the specific timeline for submission of information to the Agency.

Please contact me if you have any questions regarding this submission.

Best regards,

Stephen H. Korzeniowski
