Subject: UN 45 OEWG - PFAS refrigerants side event - invitation

Dear

I hope this email finds you well and negotiations for the new EU F-gas are fruitful.

Please allow me to invite you to our upcoming side event on PFAS refrigerants at the UN 45 OEWG in Bangkok next week: <https://ozone.unep.org/meetings/45th-meeting-open-ended-working-group-parties/side-events>

The event is during the lunch break in CR-3 room on Monday 3rd. We will offer a tasty lunch too - hope you can make it.

Another point: I was wondering we may be able to share some views on the EU F-gas negotiations during the week? I will be in Bangkok the whole week, so happy to adapt my schedule to yours.

Look forward to seeing you there,

--

Kind regards,

Deputy Manager for Public Affairs - Ozone, Climate, Energy and Chemicals
