

1 insulating materials.

2 Already, Bath Iron Works has notified the
3 Navy they will not use insulation with more than 20
4 percent asbestos fiber because of the death of an
5 employee.

6 Mr. McGowan, do you want me to read the next
7 paragraph?

8 MR. MCGOWAN: Yes, I would, and the date is
9 October 27th, 1966.

10 MR. SMITH: New England Insulation has
11 reported the first state claim against Kaylo.

12 A workman engaged in making fittings from
13 Kaylo has allegedly contracted asbestosis and is
14 claiming workmen's compensation on that basis.

15 MR. MCGOWAN: That is fine.

16 Thank you.

17 MR. SMITH: You are welcome.

18 The next document is our Exhibit OCF-125.

19 THE COURT: It will be admitted into
20 evidence.
