MET-150

Miss Ruby N. Cates, and
Miss Estelle Fitzgerald
The Inn,
Kingsport, Tennessee

My dear Misses Cates and Fitzgerald:

3/11

We deferred communicating with you regarding the proposed local arrangements for Kingsport until we received a communication from Mr. Johnson, advising us as to the plan that could be arranged for a community service and, thus far, we have not received an acknowledgment to the letter addressed to Mr. Johnson which he referred to you.

We are prepared to continue one nurse in charge of our service to policyholders and will leave it to you nurses to decide which of the two is interested in remaining in Kingsport. We will endeavor to transfer the other nurse to a center where we have a vacancy. Will you advise which of you two nurses is interested in continuing in charge of our Kingsport service and will the other be interested in accepting a transfer? At this time I am not in a position to say just where we can transfer you to.

We will immediately communicate with our Territorial Supervisor in charge of the Southwestern Territory and our Supervisor in charge of the Southern Territory. We are quite certain we can place you somewhere in one of the two territories.

We are prepared to continue you both in Kingsport until May 1st. May I ask that you advise me if you are interested in a transfer.

Very sincerely yours,

MRS. LA MALLE

Superintendent of Nursing
