TODAY IN WALL ST.

NEW YORK STOCKS
NEW YORK, May 5 (AP).—A moderate revival in utility stocks today helped most market leaders get back on their feet after an early stumble.

Losses running to 2 or more points in the first hour were converted into gains of as much around noon, but light profit selling put brakes on the rally and closing prices were uneven.

Transfers were in the neighborhood of 650,000 shares.

Coca-Cola common was given a break upward when 10 shares of Coca-Cola International, holding company controlled by the management of the former, sold for the first time since December, 1934. The sale was consummated at 976, which made the net advance, after allowing for dividends paid during the interim, 748 3/4 points.

Best performances were given by American Telephone, Western Union, North American, Public Service of N.J., Pacific Gas, Wright Aeronautical, Glenn L. Martin, Johns-Manville, Santa Fe and Sears Roebuck.

Backward were U. S. Steel, Bethlehem, Union Carbide, Westinghouse, Goodrich, U. S. Rubber, preferred and Montgomery Ward.

Stock sales approximated 690,000 shares against 550,000 yesterday. Curb stock sales were 124,000 against 108,000 yesterday.

Mooney Trip to California

SACRAMENTO, May 5. (AP)—Tom Mooney, convicted of the 1916 San Francisco preparedness day bombing, will not appear before the sub committee of the house of representatives in Washington, D. C.
Governor Frank F. Merriam to

J. O'Connell of Montana—he had no legal right to permit Mooney to appear before the committee as requested by O'Connell. The congressman had asked that Mooney be allowed to testify in his own behalf at a hearing in Washington May 11.
