Dear Mr. Lewis:

This is to acknowledge receipt of your letters; circular letter number W. 132 and A. P. I. Manual on Cleaning Petroleum Storage Tanks, and to thank you for them.

We are sending herewith, Mr. Mc Cooley's weekly letter, dated November 7, 1936, which we borrowed from you for the purpose of copying; as well as two copies of Mr. Cole's weekly letter, dated November 14, 1936, which you may keep.

We will look over the Manual on tank cleaning, in company with the others that we will receive and give you our comments on them all.

I believe your letters and circular letters to the safety men are having a very good effect, as the improvement in the fashion in which the cards are filled out, and are coming in, is noticeable.

Very truly yours,

WM:vn
